

Hookup and Haul Away[^]

Save time — have your new appliances delivered in-unit and set up, and your old appliances hauled away.[^]

Order by noon for next-day delivery and hookup within branch delivery area.

Service includes:

- Hookup of new refrigerator, electric range, electric washer, or electric dryer (with purchase of required parts)
- In-unit delivery
- Unboxing of new appliance
- Visible damage inspection
- Removal of packaging from unit
- Haul Away

Please ensure old appliance is disconnected prior to arrival of new appliance. The new appliance will be connected to the existing setup, making the switch easy and seamless.

^Delivery includes unboxing, inspecting your item and confirming the make and model, inspecting for visible damage and removing the packaging from your location. New necessary hoses, cords, ducts, etc. must be purchased at time of order. Person 18+ must be present during service to review and approve completed work. Must purchase a new electric refrigerator, washer, dryer, or range and any required parts through [Lowe'sProSupply.com](https://www.lowes.com). Hookup includes connecting new appliance if old appliance is disconnected, where appropriate electrical hookups are already in place. (Only dishwashers and over-the-range microwaves need to be disconnected prior to haul away.)
